SINGLES. 2008 Australian Idol winner, Wes Carr moves into second place this week with *You*. Will he swipe the crown from reigning chart topper Lady GaGa and her *Poker Face* next week? You have to check back here then to find out. Honourable mentions go out to Beyonce's *Single Ladies (Put A Ring On It)* up seven places to No.6, *Let It Rock* by Kevin Rudolf shifts six places from No.25 to No.19, Jessica Mauboy fires to No.23 with *Burn* and lastly the biggest climb of the week goes to Rihanna and *Rehab*, which has rocketed sixteen places to No.37.

No.15 **CIRCUS** - Britney Spears. She's climbing up the charts again, Britney Spears' *Circus*, taken from the album of the same name, sees the pop superstar liken herself to a ringleader at a circus. It's the follow up single to *Womanizer* (No.5 Nov. '08) which is currently sitting at No.9 on the ARIA Singles Chart. Spears shot to stardom as a fresh faced young teen with the explosive world wide hit *Baby, One More Time*. (No.1 Feb. '99). It propelled her into the ever-present public eye and despite the highly publicized turmoil in her personal life, her chart success has never faltered. Hit after hit followed, *Oops!... I Did It Again* (No.1 May. '05), *Me Against the Music* (No.1 Nov. '03) *Toxic* (No.1 Mar. '04) and earlier this year *Piece Of Me* (No.2 Feb. '08) rose to the second spot on the back of album *Blackout* (No.3 Nov. '07)

No.73 **THE FESTIVAL SONG** - Pez. *The Festival Song* is the first entry into the charts for Melbourne MC Perry Chapman aka Pez. His debut album *A Mind Of My Own* was released in October this year and it features Count Bounce from Tzu, Hailey Cramer from Blue King Brown, Will Hull-Brown and DJ Jumps from Cat Empire, Seth Sentry, Tys, Raymes and 360. *The Festival Song*, a tribute to the Australian Summer Festival scene, features 360 and the pair also play in the hip hop group Forthwrite.

No.93 **LIFE IN TECHNICOLOR II** - Coldplay. This is the first single off the *Prospekts March* EP (No.50 Dec. '08) from the London based band who has consistently taken over the charts worldwide. The EP comprises of a bunch of tracks unfinished or left over from the recording sessions of this years triple platinum selling *Viva La Vida Or Death And All His Friends* (No.1 June '08). In fact, a version of the song is featured on this album as an instrumental, known simply as *Life In Technicolor*. It's been a highly successful journey for Coldplay since they received world recognition with their single *Yellow* (No.5 Feb. '01) from their album, *Parachutes* (No.2 Feb. '01) before the five times platinum *A Rush Of Blood To The Head* (No.1 Sep. '02) asserted their status as household names.

ALBUMS. P!nk's *Funhouse* continues at the No.1 spot for the sixth week in a row, which has beat the precedent set for this year by the *Mamma Mia!* Soundtrack and Jack Johnson's *Sleep Through The Static* both of which spent five consecutive weeks at No.1 earlier this year. Johnson however spent six weeks at No.1, slipped down to No.2 for a week and then returned back to No.1 - but only for a week. So in total he has spent six weeks at No.1, just not in a continuous run like P!nk. The last album to spend six weeks all in a row at No.1 was *Greatest Hits* by Robbie Williams which occurred back in December 2004. Prior to that the longest release to spend some time at the No.1 spot was Delta Goodrem's *Innocent Eyes* which spent a massive eight weeks at No.1 in October 2003.

No.3 **CIRCUS** - Britney Spears. Britney Spears has once again leapt into the Top 10 with her sixth major release, *Circus*. A feat she has accomplished with all five predecessors including last years *Blackout* (No.3 Nov. '07). Britney burst onto the scene with the four times platinum album *Baby, One More Time* (No.2 Jul. '99) and triple platinum *Oops! I Did It Again* (No.2 May. '00) establishing herself as a household name. *Womanizer* (No.4 Nov. '08), the first single off *Circus* has already gone gold, proving the pop superstar is still a hit with the fans.

No.5 **UNNECESSARY LISTENING** - Hamish & Andy. The Australian comic duo of Hamish (Blake) and Andy (Lee) enter the charts with their debut comedy album, *Unnecessary Listening*. The pair has gained widespread popularity through their radio show, *The Hamish and Andy Show* which is simultaneously broadcast on various stations Australia wide and their numerous television appearances on *Spicks & Specks*, *Thank God You're Here*, and their self penned mock current affair programme *Real Stories*. They now have a regular spot on *Rove: Live*. Andy has also gained fame for his supermodel girlfriend, Megan Gale.

No.11 **PACKED TO THE RAFTERS SOUNDTRACK** - Various. The breakout TV drama of 2008 starring Rebecca Gibney and Eric Thomson has topped television ratings in Australia and its popularity certainly seems to have translated to the soundtrack. Despite first and last tracks by US artists Jason Mraz and Eric Hutchinson respectively, the album is a feast of Australian artists past and present, including Gabriella Cilmi - *Sweet About Me* (No.1 Apr. '08) Ben Lee - *Love Me Like The World Is Ending* (No.18 Aug. '07) and Josh Pyke - *Memories & Dust* (No.39 Oct. '06) to name a few.

No.24 **ROAD TO REVOLUTION: LIVE AT MILTON KEYNES** - Linkin Park. *Road to Revolution* is the second live album from Linkin Park. Its predecessor, *Live in Texas* (No.18 Dec. '03), shot at concerts in Houston and Irving, Texas, went Gold. The band's meteoric rise to fame came in the form of early albums *Hybrid Theory* (No.2 Jan. '02) and *Meteora* (No.2 Mar. '03), the later containing *Numb* (No.10 Jan. '04) which was later used in a mash up with Jay Z's song *Encore* for their EP *Collision Course. Numb/Encore* (No.3 Jan. '05) went gold in Australia and won a Grammy for Best Rap/Sung Collaboration in 2006. *Road To Revolution* features music from all of Linkin Park's albums including last year's double platinum *Minutes to Midnight* (No.1 May. '07).

No.28 **THE PRIESTS** - The Priests. The Priests are three Roman Catholic Priests from Northern Ireland who have been singing together since childhood. Though thrown into the popular music world, their self titled debut album sees them doing what they've always done, singing classic church music, from *Ave Maria* to the aptly timed Christmas favourite, *O Holy Night*. The Priests were even given permission to record in St Peters Basilica for a record that has gained its polish from producer Mike Hedges, who's vast resume includes the likes of Manic Street Preachers - *This Is My Truth Tell Me Yours* (No.13 Sep. '98), Travis - *The Man Who* (No.8 Apr. '00) and U2 - *All That You Can't Leave Behind* (No.1 Nov. '00).

No.57 **THE HANGOVER** - Funkoars. *The Hangover* is the third album from Adelaide Hip Hop act Funkoars. The four-piece comprise of Trials, Sesta, Hons and DJ Reflux, they form part of the Certified Wise Crew; sixteen South Australian Hip Hop artists who perform on various tracks of each others records. Also included are The Hilltop Hoods whom Trials and Sesta have produced *Clown Prince Remix* (No.30 Feb. '06) and *Circuit Breaker* for. They have also produced Draph - *Brothers Grimm* (No.64 Jun. '08) and Vents - *Hard To Kill*. The newly released first single off *The Hangover* is *Black Sally*.

No.62 **THE FINAL RIOT** - Paramore. Grammy Award nominated Paramore hail from Franklin, Tennessee. They first made waves in Australia with their second album *Riot!* (No.69 Sep. '07) and accompanying single *Misery Business* (No.65 Aug. '07). This year, with a third studio album in the making, they have released *Final Riot!* a live album featuring the concert in Chicago of their *Final Riot!* tour. It coincides with the release of their single *Decode* (No.36 Nov. '08) which is the lead single on the soundtrack for *Twilight*, a film adaptation of the Stephanie Meyer vampire novel.

No.86 **YOUTH & YOUNG MANHOOD / AHA SHAKE HEARTBREAK** - Kings of Leon. This latest offering from Kings Of Leon is a twin pack comprising of their first two albums. Both albums, *Youth & Young Manhood* (No.46 Nov. '08) and *Aha Shake Heartbreak* (No.25 Oct. '08) on their own merit went platinum and entered the ARIA top 50 as Kings of Leon's latest release *Only By The Night* (No.1 Sep. '08) climbed to the top of the charts. Both Singles from *Only By The Night* entered the Top 5 with *Sex on Fire* (No.1 Oct. '08) hitting the top spot and *Use Somebody* (No.3 Dec. '08) sits at No.3 this week. *Only By The Night* has currently gone four times platinum.

#1 Single this week
